RECENT NEWS

Recently we have have created a 'ST George's Day' board in our visits centre, which includes colouring done by a few of the children who visited! We are aiming to create a different themed board each month!

We are really pleased that so many of you took the time to complete visitor surveys and the results of these will be published soon.

We are also happy to announce that we have been awarded two grants to enhance the visits centre and hall so the improvements will be in place soon.

Look at some of our creations from the Children's day!
